

To the parents of students in Room 6:

Meet the Teacher Evening for Year 2 families

Thursday 1 March 2018

6.30pm in the classroom

Just parents, no children

Goal Setting Evening for Years 3 families

Thursday 1 March 2018

6.00 – 6.30pm and 7.00pm – 8.00pm

Parents and child to attend

The purpose of this evening is for parents and children to sit together and set learning goals for the year. This will run similarly to 'Student Led Conferences' where the teacher has prepared the class beforehand but on the night it will be up to the children to lead the conversation. Together you will go through the children's current assessment data, and then set learning goals in Reading, Writing and Mathematics. These goals will then be revisited at 'reports -time' at the end of terms 2 and 4.

If done properly, these learning conversations will probably take up to 30 minutes. The classrooms will be open and the teacher available for guidance between 6.00pm – 8.00pm. You may arrive anytime in this time slot and leave when you are finished.

If you wish to have a one-on-one, uninterrupted discussion with the teacher or if you are unable to attend on the night and need to schedule a time to complete your child's goal setting please email the teacher to make an appointment:
