Every student who took part in the Athletics Competition tried hard and did their best. Many children in the: 8 year old girls, 8 year old boys, 9 year old boys, 10 year old boys and 11 year old boys came first, second or third in the 100m sprints. Our 8 year olds won their relay. The 9 year old boys and 10 year old girls did well in the 400 and 800m events too. Names were not recorded for these events. I saw the score sheets for the other events and the amazing results follow:
