## WEEK 5

Kia ora everyone,

Our Birthday Mass last Friday was beautiful. It was the first time in seven years that the school has been able to go to the Cathedral for our birthday Mass. The children really enjoyed the bus ride and when they got back to school they were all given a lemon-ade ice block.

Thank you to the parents and caregivers who were able to attend and thank you to Ms Brayne and our teachers and support staff who helped make this event a memorable one. Junho Seo did a great job as altar server too.

Again Father Mosese made sure the children were engaged with his chant. We will adopt the chant this year and practice it often. Parents, ask the children about it. Hopefully they will remember it. Here is a clue:

### Mary Zellman continued...

Ha ha ha ho ho ho, Amen, Alleluiah and Love, Learn, Serve. Thank you Father Mosese.

The Meet the Teacher meetings were a great success. Thank you for your attendance. The teachers really want to meet with every child's parent, so contact your child's teacher to make another appointment.

### Consultation with our Māori whanau Wednesday 13 March, 7.00pm

Genuine, productive relationships among our teachers and our Māori students, whānau, iwi and the wider community are vital foundations for effective teaching and learning.

This is a call to a hui with all our whānau who identify as Māori. What are your aspirations for your tamariki?

Please join us for a consultation and a shared meal. The focus will be on achieving success for your child/children/tamariki.

An invitation is being sent home today. Please respond by Friday 8 March as we need to know how many people to cater for our meal.

The Board has approved a **Teacher Only Day on Monday 25 March.**

### No phones at school

The Government has introduced regulations that require all schools to have student phone rules. The rule at our school is that there are no phones at school. Please adhere to this rule.

Do not send lollies or cakes to school to celebrate children's birthdays. Many families cannot afford to do this and this creates an equity issue. Also, many children have allergies and this practise can be unsafe. Thank you for your understanding in this matter.

Ngā mihi  
Mary Zellman  
Principal
