Mahi

St Paul's School Massey provides quality

education for children in a Catholic

community committed to Gospel Values.

Our Mission Statement

Last Sunday was Pentecost Sunday.

Acts 2:1-4

'When the day of Pentecost came, all the believers were gathered together in one place. Suddenly there was a noise from the sky which sounded like a strong wind blowing, and it filled the whole house where they were sitting. They saw what looked like tongues of fire which spread out and touched each person there. They were all filled with the Holy Spirit and began to talk in other languages, as the Spirit enabled them to speak.'

Not only did the Holy Spirit empower the believers to speak in different languages but the Spirit gave us nine fruits:
love, joy, peace, patience, kindness, goodness,
faithfulness, gentleness and self-control.

Sometimes we make mistakes and forget to show the fruits of the Spirit but we must always keep trying.

I can do all things in Christ because he gives me strength.

WEEK 04

Kia ora koutou e te Whānau o Hāto Paora,

I know I have mentioned attendance before but for your information St Paul's participates in the Attendance Surveys and this survey provides the school with accurate data. Previously the data was quite generic but lately there have been improvements.

The Ministry of Education definitions of absence are:

Justified absence: a child is sick

Unjustified absence:

- There is a throw away excuse
- Absence due to birthdays
- Absence due to a holiday
- Extra-curricular activities not organised by the school, for example, sport, dance, music

Truant: No information

There are a large number of students who are late to school. This is recorded as well. Parents please make an effort to get your child to school on time.

Every day at St Paul's School begins with prayer or karakia. This is so important. Some of our classes

Mary Zellman continued...

also begin the day with Music and /or Te Reo Māori classes. Being punctual is an important life skill.

There are a number of students whose attendance is between 80 and 90% or irregular attendance. This means they are absent for 5 to 9 days per term. This irregular attendance also affects progress and achievement.

Send your child to school if you are unsure. If the child is sick we will definitely send them home. If your child is an asthmatic your child comes to school with an inhaler which is kept in the office.

Our Office Staff have current First Aid Certificates and all staff really care for the well-being of your child.

Regular attendance at school helps build and maintain a child's learning and positive daily habits and routines, as well as promoting their wellbeing by connecting them to their friends and learning new things.

We want our ākonga (learners) to thrive and be resilient and active members within their whānau and community.

Attendance matters and we can all work together to increase school attendance.

Ngā mihi nui kia koutou katoa,

Mary Zellman

Cross Country

Rain, Mud and Fun

Congratulations to the brave souls who competed in this year's Henderson Cluster Cross Country running competition. It rained almost from the very start, and the weather turned beautifully sunny just after we had finished running. Yet challenging weather did not dampen the spirits of our amazing cross-country team who sloshed through the mud, got incredibly wet and tried their very best.

Well done for Joel Kwon for showing outstanding sportsmanship by stopping to help someone who fell over on the course.

2ND PLACE - Samson Polianski Stewart (9 year old boys)
