Our Mission Statement

St Paul's School Massey provides quality education for children in a Catholic community committed to Gospel Values.

10th Sunday in Ordinary Time

The use of the term Ordinary Time in our liturgical calendar distinguishes it from the other seasons—Advent, Christmas, Lent and Easter—which focus on particular aspects of Christ's life: his birth, suffering, death and resurrection. Ordinary Time celebrates Jesus' teaching and ministry.

How can Catholics make the most of Ordinary Time for spiritual growth?

Pray the Rosary, go to Mass often, read stories of the saints, study the Church's teachings, read the Scriptures (including daily reflections on the Scripture), and set aside quiet time for personal prayer each day, etc. The more you are able to immerse yourself in these activities the better.

*I can do all things in Christ because he gives me strength.
Paul's Letter to Philippians 4:13*

Week 6

Kia ora koutou e te Whānau o Hāto Paora,

Yes one long weekend finishes and another one coming up, with Matariki. This is a very exciting week for St Paul's School too. On the Thursday 27 June the school will celebrate our school's Feast Day with Mass at 9.15am. The PTFG have organised a disco for our Year 1 and 2 students during lunch time and a Disco for our Year 3 to 6 students from 6.30-8.00pm. Of course Friday is a holiday with the nation celebrating Matariki. St Paul's School will be leading the Parish Mass on Sunday 30 June at 10.30am. Everyone is welcome to attend.

Great news! The last of the Colour Fun Run prizes are due later this week. Once these prizes have arrived then everyone will receive the prizes they ordered. Once again thank you everyone for your generosity.

Mary Zellman continued...

Yesterday you received a letter informing you of the personal safety programme (Keeping Ourselves Safe). This programme is taught by your child's teacher with the support from our local Police School Community Officer, Constable Jen Burgess. This programme needs your help and support. Your child may have home activities to work on with you. It is important that you participate as much as possible and talk to your child about what they have been learning. This will reinforce the messages the school is giving, and help your child to use his or her new skills with confidence.

Parents please drive safely when dropping off or picking up your children

Car park:

Could you please slow down in the car park. The top speed is 5kph at all times. Be considerate. The car park clears quite quickly at the end of the day; just be patient (a very important virtue).

Welcome to Mrs Debbie Purdeu, a new Teacher Aide.

Important Notification:

Student Led Conferences

Wednesday 3 July

School will finish early at 12.30pm

Ngā mihi nui kia koutou katoa,
