Week 8

Kia ora Koutou e te whānau Hato Paora,

Over the last few weeks the school has hosted 3 AUT adult students. They commented to me about how they loved St Paul's School. Our students are very respectful and kind and they love learning. The student teachers also commented on our friendly community, welcoming staff and helpful teachers.

We are so proud of our children. Parents, you are doing a great job in the way you support your child's learning and you are raising confident, caring children.

Keep up the good work. These are some of the ways you can continue to support your child:

- Encouraging reading every night
- Helping with spelling and sentence homework
- Helping with learning the basic facts and times tables

Mary Zellman cont...

- Attending the Student Led Conference on Wednesday 25 June
- Playing games
- Reading stories
- Visiting the local library
- Engaging them in conversations.

Student Led Conferences

Wednesday 25 June is the date for our Student Led conferences. **The school will close early at 12.00pm on this day.** Student Led Conferences will begin at 1.00pm. Bookings for this event have been sent out via the @school app. Please ensure you have the app on your phone.

After School Care will supervise children who are usually booked in, from 12.00pm.

Parents bring your child /children with you to the Student Led Conferences. The children will talk about their learning and their progress and achievements.

Car Park Etiquette

Thank you all for your patience in our **massive** car park. The top grass car park is closed so there are a reduced number of car parks. The children also have to wait beside the hall so the teacher on duty has to access when to safely open the drive through.

As I said, thank you for your patience.

Disco

Our Year 1 and 2 Disco is being held at lunchtime tomorrow. These children may come to school wearing the disco clothes: lots of sparkles.

Ngā mihi nui,

Mary Zellman

Principal

That's a lot of reading!**

Another big shout out goes out to our Year 6 student librarians, Mrs Taylor in the library, Mrs Leony and all the staff who helped out every afternoon. We couldn't run the book fair without your support. Thank you again.

@school App

It is important for all parents and caregivers to have the @school app on their phones. The app is used not only to report your child's absence, but also to **book appointments with the teacher for Student Led Conferences.**

Your reporting is crucial for the school to monitor the absence and to ensure the student's safety.

Contact the office on email:

office@stpaulsprimary.school.nz if you have trouble with the app or if you have any incorrect information in the app.
