## Week 08

Kia ora kotou e te whānau Hato Pāora,

What an absolutely spectacular week it has been at our school! We were incredibly honored to welcome a very special visit from the Indonesian Ambassador, Mrs Fientje Maritje Suebu, and her wonderful team. Our Year 5 students had the amazing opportunity to connect directly with the Ambassador, learning fascinating facts about Indonesia's rich culture and geography.

Our students eagerly shared back the impressive facts they had learned in class - it was a wonderful exchange of knowledge and curiosity!

The highlight of the visit was experiencing the Angklung, a traditional Indonesian bamboo instrument. The visiting conductor led our entire Year 5 cohort and their teachers as one giant orchestra. Together, they performed the New Zealand Waiata: Pōkarekare Ana! Seeing the sheer awe and wonder on the children's faces as they played in perfect harmony and unity was a deeply moving moment, and one I know they will remember for a long time.

**Student Led conferences will be held on Wednesday 1 July. The Board has agreed that school will finish at 12.30pm. At the conferences the children will be sharing their progress and achievement and also talking about the goals they set in Term One. Parents, please make yourself available on this day.**

Ngā mihi nui

## Angklung Workshop by Indonesian Embassy - Wellington

Students enthusiastically participated in the workshop led by Mr Budi S. Putra and Mr Lucky Saud from Indonesian Embassy. Together, students and teachers learned to play the angklung and performed a tune as a group. The experience beautifully reflected the philosophy of the angklung. Each instrument plays only one note, but when played together, they create harmony. It was a wonderful opportunity for our students to learn about Indonesian culture, teamwork, and the joy of making music together.
